Dual SIM 1 2

No more carrying two devices in your pocket.

Access to two telephone lines simultaneously.

The STUDIO 5.5 offers dual SIM card slots giving users the freedom and convenience to access two different phone numbers simultaneously. The great thing about having dual SIM cards is that you're able to separate works call from personal calls.

Also, with dual SIM cards you will be able to have two carriers such as an international and national numbers—avoiding roaming charges—all from the convenience of one phone, making it the perfect device for the global jetsetter.
